

# THE SHIP IN THE ICE

If you've read anything on the history of Arctic adventure (or even newspapers of late) you'll know that North Pole-bound ships can become victims of their own stunning surrounds. Visit the Ship in the Ice, the world's only ice-bound ship hotel, with Basecamp Explorer Spitsbergen's four-day Northern Lights Adventure. Travel deep into the Arctic, bound for the Ship in the Ice, and witness the spectacular natural phenomenon of the Northern Lights in all their glory. Solar activity is set to reach its peak this winter, affording guests the best possible conditions to see the Lights in one of the few places on earth where they can be seen 24 hours a day. On this unique adventure, guests will journey to the majestic Templet Mountain where the Ship in the Ice stands, and discover a level of comfort and facilities that are barely imaginable so far into the wilderness. The Arctic adventure trip also includes a stay at the unique Trappers Hotel situated in the heart of Longyearbyen. From GBP1,795 (US\$2,993) per person, including flights from London, accommodation and meals. [www.magneticnorthtravel.com](http://www.magneticnorthtravel.com)
